

Rising 2<sup>nd</sup> grade students  
St. Louis School  
Summer Math  
2020

Summer Math is the program ixl.com which can be completed on an iPad, Chromebook, or computer. **Rising 2<sup>nd</sup> graders should only work in the first grade section.** ixl.com work must be completed from May 25-August 10. If your child has already completed the section on ixl during the school year, he/she must redo the section to reflect it was completed between May 25-August 10. In second grade, we consider mastery of a skill at 90%. **This assignment will be a Math test grade.** Please encourage your child to work on more sections than required especially with basic math facts.

Our school has a special account for ixl.com.  
PLEASE make sure you use the username@saintlouis and the password is your child's birthday in digits.

Have a great summer!  
Shelly Skinner and Lauren Hayden

Complete in the 1<sup>st</sup> grade section
