

Dear Rising Sixth Graders,

This summer I would like you to do IXL to keep your math skills sharp so we will be ready to go in the fall. I would like you to work on Fifth Grade IXL objectives. You must complete each objective to 80%.

A.8 Rounding

C.13 Multiplying 2 digit numbers

D.1 Division facts

D. 11 Dividing by 2 digit numbers

F.6 GCF

F.8 LCM

G.4 Decimal place value

H.3 Adding and subtracting decimals

K.4 Equivalent fractions

K.5 Lowest terms

EE.1 Finding perimeter

EE.5 Finding area

Have a good summer! I can't wait to see all of you in August!

Sincerely,

Kathryn Mosteller
