Dear Upcoming Sixth Graders,

Here is your IXL for your summer.

You need to pick 6 of the 7 choices below.

Work to 80% on the **fifth grade IXL skills**.

Do not start working on this until after school is out.

I suggest doing one objective each week of the summer.

Have a great summer! I will miss you!

D.16 Divide 4 digit numbers by 2 digit numbers

G.4 Decimals in place value

K.5 Write fractions in lowest terms

L.12 Add and Subtract Fractions with Unlike Denominators

M.36 Multiply mixed numbers by fractions

O.2 Add, Subtract, Multiply and Divide Whole Numbers. Word Problems

Y.5 Compare and Convert Customary Units

Love,
Mrs. Mosteller
