

4th Grade Summer Math Requirements

This summer, students will work on IXL Math from May 30- August 9. Please DO NOT start until May 30. Your work will only count if you follow directions and do it between May 31 and August 9.

Students will be required to have a **90% mastery** on the given list of **THIRD GRADE SKILLS**. They are due on the first day of school. This assignment will count as your first Math grade of 4th grade!

Students must sign into our school account to access their personal IXL account. The web address is www.ixl.com/signin/saintlouis

Students should use their username and password that they have been using all year. If your child completes all the tasks listed below, he/she may continue with any other skills on the **third grade** level only. Please DO NOT go ahead to the 4th grade skills.
