

May 24, 2023

Dear Upcoming Fifth Graders,

Here is your IXL for the summer. You will need to pick 6 of the 7 choices below. Work to **85%** on the **fourth grade IXL skills**. Some of these you might have done before, but I will be looking at the date completed so you will need to do them a second time.

Do **not** start working until after school is out. I would suggest that you should do one each week of our summer break. They will be due that first week back at school. Have a great summer break! I sure am looking forward to working with you next year!!

Love,

Ms. Morgan 😊

D42 Multiply a 2 digit number by a 2 digit number

E20 Divide larger numbers by 1 digit numbers; interpret remainders

F12 Multistep Word Problems

P19 Add and subtract mixed numbers with like denominators

R12 Multiply fractions by whole numbers

S5 Place value in decimal numbers

T5 Add and subtract decimals- word problems
