

Hello, Future Fourth Graders!

I am looking forward to meeting you in August to start your fourth grade journey in English/Language Arts! It is important to practice the skills you have learned in third grade by continuing to read and review over the summer.

You will be required to read at least two books this summer. You must choose from the attached list. During the first week of school, you will be asked to do the following:

1. Take an ARP test on one of your book choices.
2. Create a Google Slides presentation for one of your book choices.

**You will take the AR test and create the slideshow in class, not at home.**

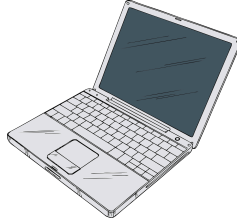

In addition to reading two books, you will complete IXL skills in Language Arts. Please see the attached sheet for IXL directions.

Have a GREAT summer!

Mrs. Hubbard
