Dear Upcoming Sixth Graders,

Here is your IXL for the summer. You will need to pick 6 of the 7 choices below. I have included the search shortcut code at the end of each skill. Work to **85%** on the **fifth grade IXL skills**. If you have questions, you can email me. The smart scores will be cleared out so that you all should be starting on zero.

Do **not** start working until after school is out. I would suggest that you should do one each week of our summer break. They will be due that first week back at school. Have a great summer break! I sure will miss you all this summer!

Love,

Ms. Morgan 😊

E13 Divide 4 digit numbers by 2 digit numbers 35K

G2 Add, subtract, multiply and divide whole numbers- Word problems SNZ

J3 Write fractions in lowest terms A76

M5 Add and subtract mixed numbers 2L3

R4 Multiply 2 mixed numbers P73

W4 Place values in decimal numbers. X8U
