

Rising 3rd Grade Summer Math Requirements

This summer, students will work on IXL Math from May 27- August 6. Your work will only count if you follow directions and do it between May 27- August 6.

Students will be required to have a **90% mastery** on the given list of **SECOND GRADE SKILLS**. They are due on the first day of school. This assignment will count as your first Math grade of 3rd grade!

Students must sign into IXL through Clever using their school email with the password "cardinals". If your child completes all the tasks listed below, he/she may continue with any other skills on the second grade level only(Level D). Please DO NOT go ahead to the 3rd grade skills(Level E).

IXL Requirements for rising 3rd Grade Students
