

Dear Future Third Graders,

We are looking forward to seeing you in August! It is important that over the summer you continue to practice reading skills you have learned in 2nd grade. Reading is to the mind what exercise is to the body! You will be required to read at least **2 chapter books** this summer. You must choose from the list below. However, if there is another series/book that is within your level, you may read that as well. During your first week of school, you will take ARP quizzes on at least one of your books. You will also have to complete a book report on one of your chapter books, but that information will be sent home the first week of school. We hope you have a FANTASTIC summer. Happy reading!

Mrs. Soefker and Ms. Williams
