

St. Louis Catholic Church and School Service Hours Program 2026 - 2027

At Baptism, we received the grace that enables us to love and serve others without counting the cost, to see Christ in them, and to avoid hurting them. Grace makes us eager to reach out to others with concern. It leads us to use our gifts and talents to meet their needs. Service helps our love for others grow stronger. Your attitude toward service can teach people how to have a heart for others. When we reach out to others in service with the joy and strength of the Holy Spirit, we find we are the ones who really receive. We receive Christ, who lives in the people we serve.

Service Hours Information

Rising 5th-8th graders at SLS and candidates for Confirmation may begin performing his/her 2026/2027 service hours on May 23, 2026. A list of pre-approved service projects follows. If you wish to perform a service not on this list, please check with your Religion teacher for approval before performing the service. **ALL SERVICE HOURS NOT ALREADY ON THE PRE-APPROVED LIST MUST BE APPROVED. ANY HOURS NOT PRE-APPROVED WILL NOT BE COUNTED.**

We will continue using the x2VOL online program this year to track and verify all service hour projects for students. Information on how to log in to your student account and how to enter your service hours will be emailed to you and your parents. All student accounts from this past school year have been archived but are still visible when you login in. Please simply move forward entering your new projects. (There is a tab to sort at the top of your opportunities page; this will sort your entries newest to oldest which should help with any confusion.)

Verification from someone at the agency or organization where you provided service to confirm your hours will be required (this is their *signature* to verify you were present and performed your service). Parent verifications are never accepted. Verification information should be obtained as the hours are performed and submitted to x2vol as soon as possible. **If this is not possible, students will have one month after the service was performed to obtain the appropriate verification.**

Once verified, your teacher will approve your entry as long as it meets the guidelines stated above. Due dates are provided on the next page.

“As each one has received a gift, use it to serve one another as good stewards of God’s varied grace.”

Service Project Guidelines

*Students are not allowed to grade papers or assist teachers with counting extra credit. *Volunteering to clean or set up the same teacher's classroom will only be allowed once per semester.* Students are not allowed to babysit teacher's children for service hours.

Any service opportunities that come from the St. Louis Church DRE's office are considered pre-approved even if they are not listed above.

In determining your service, try to find opportunities that directly serve the poor or those in true need of service. Remember...service hours are unpaid hours and may not be performed **DURING THE SCHOOL DAY**. These are certainly not the only projects you can perform. If you have other ideas or opportunities of interest, **STUDENTS** must contact their Religion/Confirmation teacher.

All hours MUST be pre-approved: ANY SERVICE PROJECTS NOT ON THIS LIST MUST HAVE PRE-APPROVAL FROM THE STUDENT'S RELIGION TEACHER VIA EMAIL PRIOR TO PERFORMING THE PROJECT

Students do not receive service hours for working fundraisers that benefit them. For example, working a fundraiser is not service if you are raising money for a mission trip.

Babysitting, yardwork, teaching at a private dance studio or private tutoring sessions are not approved for service hours. Any work for a for-profit business or organization will not be accepted unless it is in connection with a larger charitable organization/event (e.g., assisting a business with a food drive or charitable effort).

Service hours cannot be performed for a student's parent/guardian or immediate family. Hours may be performed with a parent/guardian or family member if it is for a larger charitable event, but hours performed assisting a parent/guardian or family member with regular household tasks (e.g., babysitting siblings, yard work, cleaning the house) will not be accepted. Contact your religion teacher for specific situations where this might count; your teacher does reserve the right to reject any service hours entry that does not meet the above-mentioned criteria.

"Bonus" hours cannot be earned. You can only earn service hours for actual hours served.

Students should also not combine Religion/Confirmation service hours with service hours for other organizations (i.e. Beta Club, Scouts, Cheerleading, etc.)
