

Rising 2nd Grade Students
St. Louis School
Summer Reading 2026

Dear Parents,

We are very excited to have your child move up to second grade. This summer, we will be busy planning a productive and successful year. In order to continue the learning from 1st to 2nd grade through the summer, we are requiring students to read at least **TEN** books.

Please read, read, read!! We cannot stress enough how important it is to read everyday! Reading helps your child with comprehension and fluency. Also, you may want to encourage your child to keep a writing journal (this is not required, but is a great tool to track their reading). Writing stories and illustrating is another great tool to help your child become a lifelong reader and writer.

After reading a book, record the book on the Monthly Reading Log form, and turn it in on the first day of school. This will count as the first Reading test grade.

Have a safe and fun summer!

Erin Van Epps and Lauren Hayden
